

STIPL-TC Series

High Precision Weighing & Counting Scale
with Piece Weight Memory

SAMURAI[®]
Think *Big* Think *Better*

Simultaneously

Display Total Weight, Unit Weight and Piece Count

Description

Samurai Technoweigh India Pvt. Ltd. has always focused on the needs of the clients and we keep making market surveys and study the market well to satisfy the requirements of the market. By utilizing our years of experience, we bring forth a qualitative array of **Weighing and Counting Scales**. Our technicians and engineers have come up with this weighing scale which is manufactured using a premium level of technology and supreme components. Moreover, a team of our quality controllers conducts a series of quality checks to rule out any possible technical glitch. In tune with international standard, we provide the entire range in several specifications and market leading price.

Three way counting option :-

- Sample Wise Counting
- Unit weight wise counting
- PLU wise counting

Key features:-

- Bright 16mm LCD display with LED backlight for easy viewing in most environments
- Colour-coded keys facilitate quick recognition of the most frequently used buttons
- Parts counting with freely selectable sample sizes
- Level indicator and adjustable feet ensure proper balance setup for optimum weighing results
- Large, grade stainless steel pan allows easy cleaning
- Rechargeable battery 6V/4ah for 80 hours continuous use
- Low Battery Indicator and Charging Status Indicator
- Zero-tracking feature ensures display returns to zero reading
- Internal counting resolution 1:600,000 for precise results
- Auto power-off to save energy
- Overload protection helps prevent damage to internal components
- Digital filtering helps minimise effects of vibration and disturbances
- External calibration allows for verification and adjustment with weights
- Memory accumulation totals results
- Solid ABS housing is durable for industrial use
- Total Count, 10 x One-touch Piece Weight Memory keys (Total 20 Piece Weight Memory).

Power Sources :-

- Input AC 100V-240V output 12V-1Amp

Optional accessories :-

① Range Low/Hi/Ok

② RS 232 Output

③ 3 color Tower lamps

Membrane Key Pad

Three Window Display

Load Cell Mounting

Specification :-

Capacity(kg)	Accuracy (g)	Platter material
1.5kg 3kg 6kg 15kg 30kg	0.05g 0.1g 0.2g 0.5g 1g	Stainless Steel 310 x 220mm
