

Table top check weighing scale

About.

We, at Samurai Technoweigh India, believe in understanding the need and the requirement of our clients. The offered Table Top Weighing Scale is a mixture of compact design with perfect technology. The machine has been manufactured using a fine quality of the material and our engineers have worked successfully to make it an automatic machine as it signals for absoluteness and weighing capacity error. It is capable enough of being used in the industries and can also be used by manufacturers, retailers, traders etc.

Weight Entry Detail:-

Alert 1: Minimum value

Alert 2: Maximum value

Red light:- If the maximum range is fixed part number wise and if the particular part number exceeded the limit then the power light automatically gives the red signal & 24W waring signal

Green Light:- If the commodity being weighed falls inside the category of minimum and maximum range then the machine will give the user a GREEN SIGNAL.

Yellow Light:- If the minimum range is fixed part number wise and if the particular part number exceeded the limit then the power light automatically gives the Yellow signal & 24W waring signal.

Key features:-

- Bright Green LED 14.22mm for easy viewing in most environments
 - Colour -coded keys facilitate quick recognition of the most frequently used buttons
 - Sealed keypad protects against dirt and spills
 - Large, grade stainless steel pan allows easy cleaning
 - Lightweight design simplifies transport and portability
 - Rechargeable battery 6V/4.5Ah for 24 continuous use
 - Rechargeable battery included for operation almost anywhere
 - Zero -tracking feature ensures display returns to zero reading
 - Auto power -off to save energy
 - Overload protection helps prevent damage to internal components
 - Digital filtering helps minimise effects of vibration and disturbances
 - External calibration allows for verification and adjustment with weights
 - Solid Mild S teel housing is durable for industrial use
- Simple operation allows quick startup and use with little or no training

Technical Specification

Capacity(kg)	Accuracy (g)	Platter	Platter MOC	Frame MOC
1.5kg 3kg 6kg 15kg 30kg	0.1g 0.2g 0.5g 1g 2g	310 x 220mm	Stainless Steel	Mild Steel

Uses:

Samurai Technoweigh (India) Pvt. Ltd.
